IELTS ACADEMIC READING - STARTER PACK

Read. Prove. Review.

1 / Start with a free full test

Open Reading Practice Test 1. Sign in or create a free account and join. Use the untimed option to practise a method, or the timed option to observe your current pace.

2 / Give every answer a reason

Read the exact question. Locate the relevant words. Check who, when, how much and why. Match meaning, not just repeated vocabulary. Follow each answer-word limit.

3 / Choose the next step from your errors

Use the log on page 3 to review three answers. If the explanation still feels unclear, practise the worked examples on page 2. A fresh test is useful after you can explain your corrections.

Scan to open the free Reading Test 1.

Free account and joining required. This pack is a companion worksheet; it does not grant paid test access.

Independent practice; not affiliated with the IELTS Partners. No official or validated band score.

ORIGINAL WORKED EXAMPLES

What does the text establish?

A / Contradiction

Passage: The studio closes at 6 p.m. on Fridays. Statement: The studio closes at 8 p.m. on Fridays. Answer: FALSE. The same day and place have incompatible closing times.

B / Missing information

Passage: The studio offers a class every Friday. Statement: Each Friday class lasts ninety minutes. Answer: NOT GIVEN. The class is mentioned, but its duration is not.

C / Matching meaning

Passage: Participants younger than sixteen pay no fee. Statement: Under-sixteens can attend free of charge. Answer: TRUE. The condition and cost match, although the wording differs.

Your turn

Passage: Exactly eight of twelve members attended the workshop. Statement 1: Every member attended. Statement 2: Members who attended travelled by bus. Choose True, False or Not Given and explain each choice.

Evidence and reasoning

Answers: 1 FALSE (eight of twelve is not every member). 2 NOT GIVEN (travel is not described).

ERROR LOG - REUSE AFTER EACH PRACTICE SESSION

Make your review specific

1. Question / my answer / correct answer

Passage evidence + what I will check next time

2. Question / my answer / correct answer

Passage evidence + what I will check next time

3. Question / my answer / correct answer

Passage evidence + what I will check next time

Next session: choose one recurring error and a fresh example. Keep raw scores separate from official IELTS bands.
